### Student Files

Student records are governed under The Private Training Institution Branch (PTIB) and the Privacy Act of Canada. As per our compliance with PTIB, DEAC college is required to maintain student files pertaining to information requested from the student, staff, and Instructors on student enrollment, academic progress, any student disputes or appeals, withdrawals and completions during your time of study with DEAC college.

Documents and forms held in student files include (where applicable) but are not limited to:

- Enrollment Contract
- Copy of legal identification
- Proof of entrance requirements
- Payment records
- Copy of student visa or work permit (if applicable)
- Medical insurance (if applicable)
- Marks and attendance
- Transcripts issued and if applicable, copy of the credential granted
- Student Interview Forms
- If applicable, withdrawal or dismissal documentation

Other relevant documents (medical certificates, incident reports, student dispute or appeal, student guidance and support forms etc.) are collected and documented as received using a Student Interview Form, filed in student files for confidential safe keeping. All documents are signed, completed and attached to the student file and stored appropriately.

To view your student file, please make an appointment with the Director and provide your student ID card for verification. Please note that student files cannot leave the campus and can only be viewed in the presence of the Campus Director. Students may request a copy of their file from the Campus Director, at a cost of \$100.00.

### Student Tuition Protection Fund

The Private Training Institutions Branch requires that all private colleges must protect student fees paid to them. The Student Tuition Protection Fund is made up of contributions from all registered private career-training institutions in BC. The fund belongs to the public and is there to protect true and bona fide student claims.

### Notice of Withdrawal

If a student is considering withdrawal from a program of study, the student is advised to meet with the Campus Director to discuss the reasons behind the decision. At this time, the Campus Director will review the Enrollment Contract that outlines the tuition refund policy. The student is also at this time counselled on the consequences of withdrawal and how it may affect their student loan or alternate source of funding.

If a student decides to withdraw from their program of study, a written request must be sent to the College (email is acceptable). The College will complete a Student Status Change (Withdrawal) form accompanied with a letter confirming the change of student status. The Student Services Coordinator will calculate the tuition paid against the tuition penalty to be applied as well as any additional fees charged for non-tuition relate expenses. Details on how this is calculated can be found on the Enrollment Contract under the refund policy section.

### Notice of Withdrawal for International Students

In order to maintain the integrity of the College's status as a Designated Learning Institution and ensure compliance under Immigration, Refugees, and Citizenship Canada, the College has adopted the following policy and procedure for international students who wish to withdraw from the institution. International students who have been admitted to the College, and who subsequently wish to withdraw must demonstrate that they will continue to be in compliance with their Student Study Permit and visa requirements when they provide notice of withdrawal. Withdrawal notifications must be in writing. Accompanying documentation should include:

- 1) An official acceptance letter from a Designated Learning Institution that identifies a starting date no later than 30 days from the date of the student's written notice of withdrawal; or
- 2) Documents that verify that the student will leave Canada within 30 days of the date of the student's written notice of withdrawal.

Tuition that is to be refunded will be issued to the student or appropriate funding organization that originally paid the tuition. The financial department is responsible for issuing a payment, should there be a refund, and will do so within 30 days from the date that the written request was received by the institution.

Tuition that is to be collected will be due immediately unless a payment plan is in place and approved by the Campus Director. In the event that tuition continues to be outstanding, the Campus Director will provide the student with the following sequence of letters:

1. First Letter – Provide the student 2 weeks from the date of the letter to contact the Campus Director to discuss repayment of fees owing.
2. Second Letter – Provide the student 2 additional weeks from the date of the second letter to contact the Campus Director to discuss repayment of fees owing.
3. Final Notice Letter – Provide the student 2 final weeks from the date of the final notice letter to contact the Campus Director. If no contact made, the student is placed on collections.

### Course Assessments

Student competency and understanding will be evaluated using a variety of methods. These assessments may include, projects, presentations, quizzes, tests, homework, assignments, mid-term and final exams. In-class participation is required and designated by the course. Students must achieve the minimum passing mark for all modules (Tourism, Hospitality & Flight Attendant core modules – 70%, Business modules – 65%)

To achieve honours status, a student must achieve an overall aggregate of 90% or above for the entire program and maintain a 90% or higher attendance rate.

### Exam Rules

An exam will commence at the scheduled time and complete at the scheduled time. Students who arrive late may be eligible to still sit the exam at the discretion of their instructor. Should an instructor allow a student to sit the exam despite their late arrival, their exam will still conclude at the scheduled time and no additional time will be allocated for late arrivals. Depending on the nature of the exam, instructors have the right to deny entrance for late arrivals to the exam and will communicate this to students prior to the examination date. If a student is denied entrance to an exam due to a late arrival, the "Rewrite Exam" protocol will be applied.

Exams may be a combination of open and closed book portions, all open or all closed exams, which may vary in duration. Please refer to the distribution of course marks and exam time limit for your program.

During an exam, students must remain in the classroom at all times. A student may leave the classroom in an emergency if it's been discussed with the Instructor and approved. A student who leaves the classroom without consent from the Instructor forgoes the remaining questions and the exam will be concluded.

## Exam Protocol

In concert with other private colleges, community colleges and universities in BC, the following guidelines will apply to final exams at DEAC college. Historically it has been shown that marks and professionalism remain at a consistently high standard when this system is applied.

- Exams begin at the scheduled time and will end as instructed.
- Exam material will be located at your assigned seat.
- Any other information required will be on the board.
- Washroom trips are to be taken one at a time.
- No cell phones or cell phone calculators are to be used during the exam time.
- Any breach to the Academic Integrity Policy will result in the exam being stopped immediately and the student will be asked to leave the classroom.

Viewing of exams may be carried out by pre-booked individual sessions with the Instructor.

If a student challenges the marking assessment of their exam, the entire exam will be subject to review by the Instructor. Please follow the [Grade Appeal Policy](#) for procedures.

## Rescheduled Exams

If a student requests to write an exam at a time other than the scheduled seating due to medical reasons or exceptional circumstances, they will have one opportunity to reschedule with the ability to earn full credit and will consequently forfeit the opportunity of being eligible to do a rewrite of the exam in that subject. Exceptional circumstances can be discussed with their Instructor and must be arranged prior to the exam date. Medical issues with a supporting doctor's note, exceptional circumstances or other pre-arranged circumstances that have been approved by the Campus Director of the respective campus may provide the opportunity for a rewrite. All fees are owing and payable as per the contract.

## Homework and Classroom Assignments

Homework and assignments are required to be submitted on the assigned date and time. Late submission will be subject to a mark reduction as defined below. Work produced during your course at DEAC college remains the property of DEAC college at all times and may be used for instruction or promotional aspects of future courses.

The late submission of homework, assignments, quizzes, or tests outlined above will receive a mark no higher than the minimum passing percentage and, at the Instructors discretion, may be deemed a rewrite. The Instructor may also determine if outstanding work must be submitted before the final exam of the specific course.

## Rewrites (Exams, Assignments, Quizzes or Tests)

Students who do not pass an exam, assignment, quiz or test, due to a final mark being below the minimum passing mark, late submission or absence (including denied entry due to a late arrival), will have one opportunity to resubmit or attempt the course work considered as a rewrite. Once an exam, assignment, quiz or test is deemed a rewrite, the student may receive a mark no greater than the minimum passing mark for that module.

If the student's overall mark for the entire module meets or exceeds the module's overall minimum passing mark despite a failed exam, assignment, quiz or test, a rewrite is not required. However, a student has the right to request a rewrite in order to improve their overall mark.

All rewrite examinations and submissions must be completed within one month of the original due date. Should no rewrite be completed by this time or if the 1 rewrite attempt does not achieve the minimum passing mark, the final marks for the course will be closed, and the student will be required to retake the entire module.

Rewrites should not be taken lightly, and continued occurrences of rewrites will result in a student being placed on academic probation and potential dismissal from the College due to failing to maintain satisfactory scholastic standing in their program.

All the above is subject to discussion with your Instructor or the Campus Director.

#### Rewrite Fees

A rewrite fee of \$100 will be charged *per assignment, quiz, exam and test* that must be completed in order to achieve an overall passing mark in a module. If the rewrite is a quiz, exam or test, the fee must be paid prior to challenging the rewrite. If the rewrite is an assignment, the revised mark will not be issued until the fee is paid.

If the student does not achieve a minimum passing mark on the rewrite, they will be required to retake the entire course and subject to additional Course Retake fees.

All the above is subject to discussion with your Instructor or the Campus Director.

#### Course Retake

If, during the period of study on a registered program, a student is unsuccessful at achieving the minimum passing mark for any course that makes up their program, they will be required to retake the entire course. The course retake fees are calculated at \$15 per 1 hour of instruction. The cost of retaking a course can range anywhere from \$240 - \$800 depending on its duration.

If the student retakes the course, the student is eligible to receive full marks, however, please note that all work submitted must be new and original. Previously submitted or graded work may not be used as a basis for evaluation and will not be accepted or used as a basis for competency.

Should a student not successfully pass a course retake, they may be required to pay to retake the course again or be dismissed from the College as a result of failing to maintain satisfactory scholastic standing in their program.

#### Student Marks

Confirmation of marks: marks achieved in a course will be returned to the student as follows:

- Assignments – 2 weeks from the assignment due date, as issued by the Instructor
- Short answer assignments – 1 week
- Essays – 2 weeks
- Tourism Research Project – 4 weeks
- Quizzes – 1 week
- Exams – 2 weeks
- Final exams – 2 weeks

Please see your Instructor for the process of advising marks. Exams and quizzes remain the property of DEAC college and may not be removed from the campus.

### Program End Dates & Re-admission

The program end date is discussed during the enrollment process and is located on your Enrollment Contract. If you have any questions your Campus Administrator or Campus Director will be able to assist.

This date is the final date for completion of all required components of your program, including any work experience component such as a practicum or co-op. The completion includes all outstanding work such as examinations, projects, presentations, quizzes or any other assessment as determined by the Instructor and as is deemed relevant to the program completion.

Once the end date has been exceeded, the student file will be closed and a final transcript will be issued.

Further outstanding work as outlined above cannot be submitted as the student is now in the position of re-admission and fees will apply.

For a student file to be re-opened, an appointment with the Campus Director will determine the terms of a new Enrollment Contract. Both parties will agree upon these terms and the applicable fees must be submitted prior to the acceptance of any assignments. An Independent Learning Plan will be created outlining the required items for completion with applicable due dates.

Re-admission charges are \$250.00 for Domestic Students and \$350.00 for International Students in addition to a grad and archive fee of \$75.00.

Resubmission fees will apply and be outlined by the Campus Director. This information will be included and detailed in an Enrollment Contract.

There will be no negotiation relating to the dates set in the contract once both parties have agreed and signed.

### Financial Assistance

Students enrolled in full-time programs may be eligible for Canada and Provincial Student Loans and Awards. Student Loan forms are to be completed online via Student Aid BC's website. Students who apply for loan funding, the application should be completed and submitted a minimum of 4 weeks prior to their program start date. If funding has not been approved prior to the program start date, an initial payment is required before commencement of studies.

As part of the College's commitment to preparing our students for success, all students wishing to apply for student loan funding are required to complete a budgeting worksheet to assist in forecasting educational costs during their study period. The purpose of the budget worksheet is to ensure students are not proceeding with full-time studies that will place them in financial hardship which significantly increases the risk of withdrawal from the program and challenges with repaying their loan.

Students should note that any adjustments to their training program might affect their financial obligations with Student Loans. For information on eligibility, maintaining your loan, program requirements such as attendance and marks, repayment details and your loan responsibilities, visit [www.studentaidbc.ca](http://www.studentaidbc.ca).

Many banking institutions offer reasonable educational loans for DEAC College students. Please note that a co-signer may be required for these financing options.

### Tuition Fees

Students will be given a fee payment schedule prior to the first day of classes or during the first week of classes. Students are responsible for ensuring that all fees are paid to the College according to the fee schedule. Making payments before or on the scheduled payment date is the responsibility of the student.

Non-Student Aid BC funded students are required to have all program fees paid in full a minimum of 8 weeks prior to a work experience practicum or co-op. Students with outstanding fees will not be eligible to attend practicum or co-op work experiences. Students registered in a program that does not have a work experience component or the program duration is 3 months or less, are required to have all program fees paid in full a minimum of 4 weeks prior to the program end date.

### Late Payments

Students who do not pay by the date outlined in their fee payment schedule may be given 2 days' grace but will be subject to a \$15.00 late fee. If you are experiencing financial difficulty and are unable to pay your fees on time, you may request a promissory note which must be approved by the Campus Director. The due date for payment of fees may be extended by one week. This is only done in extenuating circumstances and must be negotiated prior to the date fees are due.

Should a student not make a fee payment after the 2-day grace period or date negotiated and approved by the Campus Director, the following will transpire:

1. The Campus Director will issue a warning letter with a period of 4 weeks to finalize the outstanding balance outlined in the fee payment schedule. In class participation during the 4-week period may be limited or excluded pending arrangements with the Campus Director.
2. Should a student not make payment after the 4-week period, the student may be temporarily suspended from studies until the outstanding fees have been addressed or dismissed from the College. Should a student be dismissed, the College's Tuition and Fee Refund policy will be applied. Please refer to the Dismissal Policy.

### Returned Cheques

These will be subject to a \$25.00 charge.

### Program Delay/Transfer Fees (Prior to Enrollment Contract Commencement)

A delay of start date or transfer of program to an alternate campus is possible as long as it is before the start date on the original Enrollment Contract. Students who do so will be charged all fees due under their registration contract at the time. If the student would like to re-enroll for a future start date or transfer of programs, re-admission fees of \$250.00 for domestic students and \$350.00 for international students will apply. A new Enrollment Contract will be required and if applicable, DEAC College may move tuition and fees already paid on account over to the new start date or transfer program.

Please note: transfer from one program to another may result in cancellation penalties being applied to the first program.

### Program Delay/Transfer Fees (Post Enrollment Contract Commencement)

Changes to a current program (during the start and end date on the Enrollment Contract) such as rescheduling a course or changing campus, will be reviewed and require approval by the Campus Director. Payment of \$250.00 change fee, due at the time of the request. No requests will be reviewed or considered until the fee has been received and this fee does not guarantee that the request can be accommodated.

## Prior Learning Assessment Policy

DEAC College will consider prior learning assessment applications from students that have attended other recognized training institutions. To submit an application, DEAC College requires:

1. Students must present all the required documentation a minimum of 4 weeks prior to the program start date to the Admissions Advisor. Documents required are:
  - a. Course outline
  - b. Transcript of marks showing successful completion
  - c. Prior Learning Assessment form (PLA) fee of \$250.00. Payment of the PLA fee will ensure a thorough review of material submitted however does not guarantee that any or all of the submitted courses for review will be recognized.
  - d. Determining equivalency will be based on factors such as:
    - i. Learning outcomes
    - ii. Subject matter
    - iii. Textbooks and support material
    - iv. Assessment methods and standard
    - v. Course length and credits associated
2. Following a complete submission package and further review by the Senior Education Administrator, DEAC College will outline the course(s) that receive a PLA credit (not exceeding 50% of the total in-class training period of the program) and the tuition credited on the Enrollment Contract.

PLA courses taken more than five years ago may be considered and will be reviewed in more detail to ensure curriculum transferability. In addition, PLA will not be considered for Career Development, Practicum or Co-op Work Experiences.

## Credit Transfer Agreements into Higher Level Institutions

DEAC College is pleased to offer transfer credits toward higher level Diplomas or Bachelor Degrees in Hospitality or Tourism Management in private universities and colleges. It must be noted that students wishing to transfer into receiving institutions must meet the entry requirements of that particular institution. Having successfully completed a program or programs at DEAC College does not offer automatic acceptance of the receiving institution.

Completion of DEAC College Diploma Programs does not constitute direct enrollment into the mentioned colleges or universities. Each college and university program has specific requirements. DEAC College graduates must meet the entrance requirements of the receiving institution.

If DEAC College can assist in any way, please contact us.

### Photocopying Machine

Photocopying is not available for students. If your request is related to homework assignments, please refer to your Instructor.

### Printer

Printers are not available to students on campus. DEAC College is moving toward a paperless environment wherever possible. Assignments can be emailed to your respective Instructor. This will create an electronic record of your documents for ease of use and revisions if necessary. Should an Instructor request that an assignment or any other form of documentation be in print form, this is the responsibility of the student to produce.

### Telephone

If emergency phone calls are needed, please see the Administration. College telephones are not available for use during business hours, except in an emergency. Emergency long distance telephone calls will be charged at current long-distance rates.

### Book Replacement Charges

Students will be liable for the full replacement value of any books not returned or damaged during the duration of their course.

### Reprinting Replacement Charges

Students will be responsible for the cost incurred of reprinting materials that have already been previously provided by the college. It is recommended that students retain all material provided during the program, should it be required for reference at a later date.

### Additional Charges May Include

- Tutorial fees \$25.00 per hour
- Student ID card replacement \$20.00

## **Student Support Services**

### Employment Opportunities

For other job opportunities, you can look at local newspapers, online job sites such as Craigslist/Monster/Indeed, and community notice boards. Please remember it is important to balance work, study and personal time.

Alumni students of DEAC College will have access to job placement assistance, ongoing support for upgrading resumes and access to related job leads through the DEAC College website.

This service is available to all graduates requesting information and support in their job search. Assistance

Students will have several opportunities to evaluate all facets of DEAC College during their program duration, through online evaluations completed during class time and one-on-one meetings. The Campus Director will be available to answer any questions regarding definitions of terms used in the evaluations to ensure that all evaluations have been submitted.

All online evaluations at DEAC College are anonymous, however you are able to put your name on the evaluation if you wish to be contacted to discuss the evaluation in more detail. Evaluation windows open on quarterly basis through Survey Monkey.

One-on-one meetings are conducted monthly with the student and the Instructor. This provides a private opportunity for both parties to discuss the student's academic path at DEAC College, progress, marks, attendance and more.

### Alcohol & Cannabis

Students may not attend College or field trips while under the influence of alcohol and/or cannabis and are forbidden from bringing intoxicating beverages / liquor/substances onto DEAC College premise at any time. Any student found in an intoxicated state will be requested to leave the College (supervised by DEAC College staff) and will be subject to disciplinary action.

## Attendance

In the event you are unable to attend your class or work experience for any reason it is required that you call or email your Instructor before the start time and leave a message detailing your name, class, and reason for absence. Where appropriate please also call any work experience provider to advise them of your absence. In all other circumstances speak to the Campus Director.

Further details can be found towards the end of this handbook, under DEAC College's [Attendance Policy](#).

## Term Breaks & Requested Breaks in Study

There are 3 term breaks during the calendar year at DEAC College: Spring Term Break (1 week), Summer Term Break (1 week) and Winter Term Break (1 week). During these breaks, no classes are in session and students can use these times as they please. Please refer to your student schedule for confirmation on the dates of the breaks.

Students may wish to take breaks outside of the term breaks, but it must be noted that the College's programs are not designed for students to take breaks at their own leisure and are strongly discouraged from taking breaks that will disrupt their study period.

Students are required to request an authorized leave from studies prior to making a commitment to take a break in studies no less than 4 weeks before the desired leave date. The maximum length of an authorized leave from studies is 4 weeks not including any term breaks. Applications for leave will not be considered if the course has already been delivered. An application fee of \$250.00 is due at the time of submission, no applications will be accepted until paid. Requested breaks in study for the following programs will not be considered due their short duration:

1. Hospitality Management Diploma/ Co-op
2. Hospitality Certificate/
3. Business Administration

Key Considerations for an authorized leave:

1. Scheduling: When and where will the courses that a student will miss next take place and are there any conflicts with existing scheduled courses.
2. Funding (Student Loans, First Nation Band Funding, HRSDC, WorkSafe BC): Is the student receiving any form of funding? If so, are there restrictions in place from that funding source that do not allow breaks in study other than the College's term breaks?

3. International Students: What are the expiration dates of the student's study and/or co-op visa's? Is there a risk that the student may face challenges in returning to or completing studies? Does the student have visa extension applications pending? Is the student aware they are not allowed to work during a personal break?
4. Academic status: Is the student in good standing both in program progress and attendance?

Should a student go on an unauthorized leave, they will be issued a failing mark for any courses that took place during their leave which they did not attend. Should this occur students will be charged a course retake fee (Course Retake, p.14) for each course they have missed.

Where prior approval is sought, every effort will be made to assist the student to develop an Independent Learning Plan to make up missed assignment(s), class work or the rescheduling of modules.

#### Class Expeditions / Field Trips

It is the expectation of DEAC College that all students behave in a professional and organized manner. Dress will be business attire or as appropriate for the event, Instructors will advise.

Timekeeping will be agreed prior to trip and will be adhered to without exception. Field trips are a critical part of the learning process and must be taken seriously. If you miss a departure it will be your responsibility to join the group on route.

#### Mobile Phones

### Allergies

With respect for others, DEAC College is a scent-free zone. Please do not bring or wear strongly scented products to the College as these can greatly impact other student's ability to comfortably focus on their studies. Many forms of strong scents can cause a harmful impact to a student leading up to and including the need to seek medical attention. Various forms of scents can create this impact and examples may include but not be limited to: perfumes, colognes, body sprays, hand sanitizers, moisturizers, sunscreen, lip balm, certain foods and beverages and even some laundry detergents. The use of strong-smelling foods, such as seafood, in the microwaves is also prohibited.

It's asked that students refrain from wearing anything that has a strong scent and instead seek alternatives that have a neutral aroma.

If a student feels they are being adversely affected by a scent, they should privately discuss the concern with their instructor who will assist them in identifying an appropriate course of action which may include addressing the individual(s) who are not adhering to a scent-free zone policy. Further accommodation for the student affected by the scent may be provided if necessary. If it is clearly evident that an individual is not upholding the scent free policy, they may be asked to wash off the scent or sent home for the day if they are unable to do so.

### Etiquette

It is understood that while in class, all students will listen intently to their Instructor. Should a student have to leave or enter the class during scheduled class times, please do so in a quiet and non-disruptive manner.

If you arrive to class late, your instructor reserves the right to not allow entry into class. If you are permitted to enter class, please quietly take your seat and do not disrupt the classroom

### Food & Drink

In an effort to provide students and visitors with a well-kept, clean and tidy campus environment, consumption of food and beverages must take place in the designated eating areas as it is not permitted in the classrooms. However, water that is kept in an enclosed and sealable container is acceptable. In consideration of student allergies, strongly scented food such as garlic and seafood are not permitted to be used in the campus microwaves.

## FEE PAYMENT POLICY

DEA Canadian College:

### **Fee Payment Policy**

---

Name of Policy

### **Campus Director, Student Finance Officer, Admissions Advisor**

---

Position(s) Responsible

### **Policy:**

DEAC College provides students several options to paying their program fees which they are required to confirm at the time of enrollment. Once a payment method has been determined, the student is responsible for adhering to the agreed to payment plan (established through a Schedule A) and ensuring all payments are made on time. Students receiving financial assistance to pay for their schooling through programs such as: student loans, Work BC sponsoring programs, Work Safe BC vocational rehabilitation programs, and Indigenous Band funding are responsible for ensuring that all necessary steps are completed so that funding may be released to pay for program fees as per their payment schedule.

All fees paid to DEA Canadian College must be paid in Canadian dollars (the College does not accept cryptocurrencies, such as Bitcoin, at this time).

Students who are paying for their program fees directly with the College are required to have all program fees paid in full a minimum of 8 weeks prior to a work experience practicum or co-op. Students with outstanding fees will not be eligible to attend practicum or co-op work experiences. Students registered in a program that does not have a work experience component or the program duration is 3 months or less, are required to have all program fees paid in full a minimum of 4 weeks prior to the program end date. No official documentation will be released to a student (official transcript and/or certificates/diplomas) that is delinquent on their fees until they are paid in full.

Fees may be paid to the College by the following methods:

1. **Cash (up to a maximum of \$1,000 CDN):** Due to the rising concern of money laundering activities in British Columbia, including in the post-secondary system, a single student may provide cash payments to a maximum amount of \$1,000 for their entire program. The balance of a student's program fees must be paid by one of the other payment methods indicated below.
2. **Debit:** The College accepts payment by debit card, however students are responsible for ensuring they are aware of any daily transaction limits (often \$1000) and how this may affect their ability to pay their fees on time. If a student is unable to pay the full amount of a fee owing due to a transaction limit, they may be charged a late fee of \$15.

3. **Credit:** Students may make credit payments on school fees and when doing so, are encouraged to complete a “Pre-Authorized Credit Card Payment Form” so that payments are processed on time without the need for students to have to process the payment in person. Pre-Authorized Credit Card Payment Forms are kept in the student’s records and locked in the institution’s student records room.
4. **Cheque:** Payments may be processed by cheque and students are encouraged to provide post-dated cheques that the College will process as each payment becomes due. Post-dated cheques are kept with the student’s records and locked in the institution’s student records room.
5. **Certified Cheque:** Certified cheques are received from a student’s financial institution and allow a student to make large sum payments to the institution. A certified cheque provides confirmation from the student’s financial institution that sufficient funds exist in the account to cover the cheque by setting aside the funds needed to cover the cheque until it is cashed by the institution.
6. **Money Order/Bank Draft:** A similar method to certified cheques guaranteed by the student’s financial institution with the difference of the institution requiring a prepayment to be made by the student first.
7. **Bank Transfer:** Students may conduct an e-transfer of funds from their account directly to the College. To conduct an e-transfer please speak to your admissions advisor or Student Finance Officer.
8. **Wire Transfer:** Students who are overseas (outside of Canada) only, may send payment for program fees by wire-transfer. To conduct a wire-transfer please speak to your international admissions advisor.
