# STUDY & WORK

*in Canada*

# Vancouver

## *A City Like No Other*

With its breathtaking natural beauty and vibrant multicultural atmosphere, Vancouver stands as one of the most desirable cities in the world to study and live. From picturesque mountains to lively urban neighborhoods, it offers the perfect balance of serenity and excitement for students.

### **Top Education**

Study at world-class institutions, enhancing global career opportunities.

### **English Immersion**

Enhance your language skills in a real-world English environment.

### **Pathway to Residency**

Stay and work in Canada after graduation with flexible immigration options.

### **Safe & Stable**

Enjoy peace of mind in one of the world's safest and most secure cities.

### **Multicultural City**

Experience a welcoming environment enriched by diverse and inclusive communities.

### **Work Opportunities**

Work part-time while studying, and transition to full-time after graduation.

### **Strong Job Market**

Explore thriving career opportunities in fields like technology, healthcare, and business.

### **Vibrant Multicultural City**

Feel at home in a city where diverse cultures come together in harmony.

### **Mild Climate**

Adjust with ease to Vancouver's moderate winters and comfortable year-round climate.

### **Outdoor Adventures**

Enjoy year-round outdoor activities amidst Vancouver's breathtaking natural beauty.

### **Balanced Life**

Achieve the perfect mix of academics and leisure in a city known for its stunning scenery and active lifestyle.

## BUSINESS ADMINISTRATION DIPLOMA + CO-OP

The Business Administration Diploma with Co-op Program at DEA Canadian College equips students with essential skills in management, marketing, finance, and operations.

The Co-op component offers hands-on experience, allowing students to work in real business settings while studying. This practical training bridges the gap between classroom learning and the demands of the professional world, enabling students to apply their knowledge to real-life scenarios.

With a combination of academic excellence and practical experience, this program prepares students for successful careers in the competitive business landscape, both in Canada and globally.

### STUDY & WORK IN CANADA

This program allows students to study while gaining practical work experience in Canada. During the academic period, students can work part-time, and during Co-op terms and academic breaks, they can work full-time—seamlessly blending education with career advancement in Canada’s dynamic job market.

**Duration** 2 Years (1 Year Academic Study + 1 Year Co-op)

# MEDICAL OFFICE ADMINISTRATION DIPLOMA + PRACTICUM

The **Medical Office Administration Diploma** program at DEA Canadian College is a comprehensive 1-year course designed to equip students with the specialized skills required to excel in Canada's growing healthcare industry.

Students will master key areas such as medical terminology, basic anatomy, patient communication, scheduling, and medical billing, ensuring they are prepared for the demands of medical office operations. The program also includes a hands-on practicum, providing valuable real-world experience in healthcare settings across Canada. With 100% placement assistance, students won't need to worry about securing their practicum placement.

Additionally, they will learn the main software to guarantee their success in any clinic worldwide. By combining practical training with industry-relevant knowledge, this program empowers graduates to effectively support healthcare teams, streamline operations, and enhance patient care in Canada and beyond.

## STUDY & WORK IN CANADA

This program allows students to study while gaining practical work experience in Canada. During the academic period, students can work part-time and full-time during academic breaks—seamlessly blending education with career advancement in Canada's dynamic job market.

## HOW TO APPLY

### DEA CAREER COLLEGE

#### STEP 1. Review Program Requirements

Please make sure you meet the admission criteria for your chosen program before applying.

#### STEP 2. Submit Your Application

Complete the application form at [deacollege.ca/apply-now](https://deacollege.ca/apply-now) or use the QR code on the right to access it.

Submit the following documents to [admin@deacollege.ca](mailto:admin@deacollege.ca) :

- Copy of your passport
- Copy of your high school diploma or equivalent

Once submitting your application, we will provide access to our FREE online English admission test, unless you submit a recognized English proficiency score. (e.g., IELTS Academic, TOEFL).

#### STEP 3. Make Your Payment

Receive your invoice and complete your payment.

#### STEP 4. Receive Your Letter of Acceptance

If your application is successful, you will receive an official Letter of Acceptance from DEA Canadian College.

#### Step 5: Apply for Your Study Permit

Apply for a study permit or a Co-op work permit, if needed.

#### Looking for Help from a Certified Agent?

If you need assistance with the enrollment process, certified agents can help make the application process easier and ensure all your documents are submitted correctly. Contact us at [admin@deacollege.ca](mailto:admin@deacollege.ca), and we'll connect you with a trusted agent for personalized support.

**If your English proficiency does not meet the program requirements,** consider enrolling in our General English - ESL classes at DEA Canadian College Language Academy to enhance your language skills before starting your program.

### DEA LANGUAGE ACADEMY

#### STEP 1. Submit Your Application

Complete the application form at [deacollege.ca/apply-now](https://deacollege.ca/apply-now) or use the QR code on the right to access it.

#### STEP 2. Provide Supporting Documents

Submit the following documents to [admin@deacollege.ca](mailto:admin@deacollege.ca)

- Copy of your passport

#### STEP 3. Make Your Payment

After processing your application, you will receive an invoice. Complete your payment to confirm your enrollment.

#### Step 4. Get Ready for Your Journey

Prepare for your studies and get ready to join DEA Canadian College Language Academy.

### INTERNATIONAL STUDENTS

#### STUDY PERMIT

If you plan to study in Canada for more than six months, you will need a permit. Additionally, an entry visa may be required for most countries.

Before applying for a study permit, ensure you have:

- An official Letter of Acceptance from DEA Canadian College, including our DLI number.
- Proof of financial support for tuition fees and living expenses.
- A medical exam, if required.
- Biometrics, if required.

#### CO-OP WORK PERMIT

If your program includes a Co-op or work placement, you must apply for a Co-op Work Permit in addition to your study permit.

Submit your Co-op Work Permit application alongside your study permit application.

This permit allows you to work full-time during the Co-op placement. It must be presented before starting the Co-op component.

For detailed information, visit [www.cic.gc.ca](http://www.cic.gc.ca).

## **PARTNERSHIPS**

### *Global Connections*

Global Connections offers career counseling, industry networks, and global internships to help students secure jobs in Canada

## **CAREER SERVICES**

### *Your Path to Working in Canada*

- **Co-op Assistance** - Our specialists guide your job search, connect with employers, and support you throughout your co-op placement.
- **Exclusive Job Opportunities** - Access exclusive job opportunities curated by our team.
- **Resume Clinics** - Receive one-on-one support to tailor your resume for Canadian jobs.
